

The Maine Chapter of the International Association of Arson Investigator's Newsletter is a publication of the Maine Chapter and copying or dissemination of this newsletter without permission from the Maine Chapter is prohibited. Articles contained within this newsletter are opinions of those authors and are not the official opinions of the Maine Chapter or the IAAI. The purpose of this publication is to provide members with information related to Fire/Explosion investigations, as well as fire prevention measures and is intended to educate those members, who are involved within the fire service, law enforcement, insurance industry and other professional industries. Participation from the membership is encouraged and articles of interest can be submitted to the editor for future newsletters. Please contact me at anytime:

Paul Ouellette, IAAI-CFI
